

## enmarket #865

1531 East King Avenue, Kingsland, GA 31548

### PROJECT SUMMARY

Brunson Construction was selected as the general contractor for this new-build gas station and convenience store located at 1531 East King Avenue in Kingsland, Georgia. The project involved complete site development, including underground fuel storage tank installation, canopy construction, and a full-service convenience store build-out.

### PROJECT TEAM

**Bobby Hass**  
Project Manager

**Justin Polk**  
enmarket Construction Manager
